Cain, Able and Cannibals

CAIN, ABEL AND CANNIBALS

Cain and Abel were twins in contrast. Scripture indicates one conception for the two births.

The name Cain means to **acquire and possess,** whereas Abel is **empty** of all substance. Ancient-Hebrew.org

With this definition we can understand that Cain and Abel are **opposites of each other**, to present to us contrasts for our growth in understanding as we unlock the hidden mysteries as to why. And when we ask the Father anything in the name of His Son, He will do it. So Father, let us see some amazing things as we press into you.

It was in the beginning that God displayed contrasts of **light** from **dark**, **wet** and **dry** and such. **Cain** and **Abel** were no exception. And because they were the first two offspring to learn from. Keep in mind that with Cain **meaning possessor**, and Abel **meaning empty**, that there would be a dependency of one type of peoples upon another which creates room for abuse. Cain and Abel represent the two extremes of character for this reason. There could be a healthy transfer of character, or not. In this case of Cain and Abel, jealousy had set in because God accepted Abel's sacrifice but not Cain's. With Cain being full of himself and Abel was not, you could understand which one was proud of himself and which one was humble and in need of being filled, as we do with Word and the Holy Spirit. We can confirm this because God accepted Abels sacrifice but not Cains. We can also conclude that the sacrifices had nothing to do with the sacrifices themselves but the attitude of the offerer. God looks at the heart, and Abel was amiable, meaning friendly, humble and cooperative.

Another interesting point we can gather from these two is that when God questioned Cain about his brothers disappearance asking him “what have you done? To which Cain smugly said “am I my brothers keeper?” As if to shrug any responsibility. And God knowing what happened called him out and said “your brothers blood calls out to me from the ground”.

From this we can understand that, **it was the spilled blood that was the testimony of the murder of Cain and not a dead body,** or God would’ve made mention of it. So we ask why? The answer is that Cain ate his brother Abel. That is where the word cannable came from. So for the most part Cain destroyed the evidence of his crime. Otherwise God would have approached Cain differently.

With this information we can better understand who may be the Canaanites in our day. But don’t

expect them to fess up because they take pleasure in hiding and in performing a modern rendition of old testament sacrifices. But remember, we know those who say they are Jews and are not but of the synagogue of Satan". Primarily because their sacrifices spits in the face of the Christ at the cross who went there to put an end to all that bloodshed. But nevertheless, not only do they Like to sacrifice and kill, they also like to drink the blood because scripture says "the life of the body is in the blood". They know this! This is their addiction and their empowerment and their fount of youth. The adrenaline secreted during the sacrifice process, is their lust.

So now you can understand why the word cannibal sounds like "Cain-Abel" exposing this heinous act because the names Cain-Abel said together sound out the act of eating another human as being a cannibal, because that is what really happened. This is not a coincidence. And yes the names we use on them today is the same as back then, even with the language changes, Cain is Cain and Abel is Abel. Too bad they didn't have the same continuity with the names of God. But we cover that's another topic we cover elsewhere.

Cain and Abel played out in our day.

Cain and Abel describes two factions and main types of characters that are still prominent throughout humanity in our day. And it is quite deceptive because along with Cains jealousy and crime of killing and eating his brother, he received a self proclaimed judgement, that **he would be driven from the face of the earth** as punishment of his self inflicted guilt. Even as God had told the Jews "out of your own mouth I will judge that wicked servant" and as the people said "yes His blood be upon us and our children" as they consented to murdering the Christ, showing that they were more like Cain because sacrificing and killing were natural for them.

But God in His mercy set a mark on Cain lest anyone would try to kill him, showing us a couple more things about the Canaanites. That they would be forever in hiding and **ashamed** and still unrepentant and un-relenting throughout time for doing what Cain their forefather did, because this they still do. As Christ said "you do the deeds of your father the devil". showing us that the father in this case was not genetics but behaviors that are spiritually motivated. And as a side note: we who are "born again" have a renewed make-up as well, being re-spirited from up above and not below like those who were driven into hiding behind titles because their prototype said he was driven from the face of the earth because of the shame. They are self justifying all the time but not the justification of faith but self.

Cain and Abel represent all humanities core struggle and the deceptive driving element. They kill and eat people, and because of their shame saying they were "driven from the face of the earth" shows us that they are always in hiding in costume and acting or in an impersonator form, except to each other. For this reason they have their secret hand shakes and recruiting places and events throughout the world. Much like Alcoholics anonymous. Secret because of the guilt they still carry today, however they like to revel in it amongst themselves.

There is an **ashamed** side of humanity that does NOT like to be known for who they really are. For this reason they hide behind titles, duties, positions of power and logos. And they unabashedly do heinous things for favors.

Cain raised himself above his brother and his offspring elevate themselves above common people today. And there is a lot more of them then what you may think. We as the Elect of God are in hiding in another way but not for deception. We call it walking incognito, not so much to hide from shame like the Canaanites, but because we know our age of appropriation is not of this age just like Jesus said when the Jews asked Him when His Kingdom would appear and He said "You have rightly called me King for so I AM, however My Kingdom is not of this age (of creation) or else I'd fight, My Kingdom is not from here. However the Elect do have cameo appearances when it comes to the ongoing salvage operation of mankind.

Here are some other words associated with “Cain” from the original Hebrew to help broaden our understanding of these contrasting character's.

Strongs #3665 Kana, to humiliate, accuse, subdue and vanquish, (to symbolically eat). The act of suppressing others potential through submission. (Usually by keeping them defensive and performing for acceptance, but even God told Cain “if you do well, will you not be accepted? And if you do not do well, sin lies at your door. And sins desire is for (ruling) you, but you must gain mastery over it”, showing his Cannanites responsibility to overcome there sin nature like all mankind, through faith and obedience to the gospel.

You see the effects of “spiritual wickedness in high places” living through those of that mental and spiritual disposition, which is NOT a physical genetic one for that is out of our control, but of a persona one adopts by their own choosings and allegiances. This is how they develope the guilty conscience that compells them to adopt other personna’s to broaden their ability to control and manipulate the unsuspecting whom they despise for their week spots that they are developing. They make really good actors because they live behind a facade of impersonations anyway because that comes to them naturally.

They gain notoriety by helping each other to occupy many positions of authority and power to use for their cause though their Free Mason organization with their “local chapters world wide. It was the movie “They Are Here” by Rodney Piper, that set out to expose this alternate reality of those who live vicariously among us and live off of us and… our blood like vampires. Their world view is of typical people as batteries and energy sources to be eaten up, more in an invisible way even by but not limited to, consuming peoples time, labor, savings, resources, energy and patience and not necessarily to literally eat their bodies. But at the highest levels they do that too. They call it "adrena-chrome", the elixir of life because the adrenaline enriched blood restores strengthens and beautifies those who receive their regular doses. That is their fountain of youth.

Their bullying and controlling are nonstop.

Much like the picture of the Israelite's of whom God told Jacob “know this that your offspring would go down (as if to fall) into Egypt” to be ruled and lorded over. And you see in Egypt the antagonism of the rulers who took away the straw that held the form for the bricks, just to agitate the subdued worker slaves. Showing us that today the redundant tasks, the lines, the waiting, the mundane and all the things that just don't make any other sense then to just agitate, occupy, confound and spend peoples energy and resources, to reduce them, eat them and (cannibalize them) to reduce them to a number in a line and whatever you do?

Don’t ask any questions or they will give you more stupid. This doesn’t make sense other then to break peoples will down to nothing and to formalize willful compliance. This can be applied to any government places, hospitals and most corporate structures and places of power.

#7069 Qanah, to erect, create, procure, purchase, to own, (I own you!) to teach, get cattle (goyim), posses, recover, redeem, purchase. (maybe illegally or unlawfully). Think in terms of the population sensus meant to categorize and count people like cattle.

#7075 Qinyan, creatures of acquisition, purchase, wealth, getting goods , money, riches, substance. (lovers of this age)

#7077 Qanan, to nestle, build, occupy (as if to posses? (As if to impose to not leave, to bully.)

All of these attributes that have to do with Canaan may be seen as them pushing their way into a vacuum or vacancy of good leadership. As Abel was a blank slate, void and empty because that is what Abel means, empty. Too tempting for Cain? Thinking he was out of Gods view and took advantage of Abel, then tried to cover up the crime scene.

Scripture is given to us to make visible invisible realities and concepts. And the correlation here for us is that there are entities today that do eat people. And however that may be true in the literal sense too, we would like to focus on the invisible aspect of eating people first. And we will do this with the curse given to Satan after tricking Adam and and Eve out of their godliness to be slaves and the need for redemption and a Messiah, meaning Savior and one who restores and it starts with this theft.

Gods judgment on Adam was "from **dust** thou art and to **dust** thou shalt return". And to Satan he was told “ on thy belly shall you go and **dust shalt thou eat** all of the days of your life", indicating that Satan would eat fallen mans bi-product of death being dirt, and dust. That the names Adam Esau and Edom all come from dirt. (Strongs#——) **Dust is dry dirt.**

The application of this today is because Satan of whom was said “on thy belly shall thou go and you shall eat dust”, indicates that he eats Adams (who returns to the dust) being the bi-product of

his spent self. Symbolically we apply this to Adams offspring of humanity. “Working the earth with a curse" is the collection of mans spent efforts collected and stored through the medium of money and Mammon. There is a reason banks and power companies use the same nomenclature. Like currency. These are given to transfer that stored power to Satan. That is right! And however deceptive it is, we see people use their savings for just in case and such. But savings from Heavens view is a contender with the Savior of God. That is why scripture says that "you cannot serve God and Mammon" meaning money. And those who sought to purchase salvation and favor from disciples, they simply said "your money perishes with you", confirming our assessment. And this may not be understood so much today in that "the fullness of time" is not yet complete. But we can understand and know that there is a time coming when financial systems will implode and only hurt those who are fully vested. And of those that own the system? In the mean time they have been collecting and absconding with the labors of everyone through … living off the efforts, and been able to slip out of the money aspect of their trade because they gave humanity worthless paper called debt instruments in exchange for real estate. Get it? Real estate? But more then that, their manipulations have absconded with all things of value on earth as planned because they are of the god of this age because this so much pleased our Father because His end game is that what Satan and the third of the angels that fell with him, they left empty spaces open and vacated for their lust for power on earth. And if they did not do that, then there would not be a place for Gods people to reign in Heaven. And just as nature arbors a vacuum, there is a pull called the "ascension", on those who have been resurrected in Christ, who hear the call to "come up hither" to take are rightful due, rightful due because it is given to you as you press into God, enter your rest and join in with the Godhead and be seated at the right hand of the Son of God who is at the right hand of the Father and calls us to Himself.

This has been the plan the whole time. That we come into the world as blank slates with godlike capabilities being made in His image. It is us who escape the snares and the traps and detainment mechanisms of the enemy of our soul, by putting off our association and dependencies of this age that appease our fallen man like Adam, with an emptiness like Abel. And instead of being detained by appeasing our fallen need for survival of saving ourselves with the mechanisms today that cost more than money but to detain us from our eternal things.

Satan and his minions think that they can thwart salvation through those mechanisms and in doing so keep God from the harvest of this age

This is the mystery explained. The human body returns to dust. To be born again and borne from above is the restoration of what Adam and Eve lost to restore us to images of God because we "put of the body of the sins of the flesh, not being the flesh itself. But it being the ground bound and looking down perspective of self preservation of working the earth for the curse showing us the downward polarity. However with the re-birth we have a heavenly aspiration in pplace of the carnal expiration off a fallen way of thinking. And if you do think about it, it was not the carnal body itself that was bad, or God would have never said of the sixth day in which it was made, that "it was good, very good". And as a way to double stamp that, Even Christ was in bodily form and "full of

the godhead body". And if that is not enough, remember that Paul instructed us to "recon our body to be dead so that we may walk in newness of life" confirming our new association. And of 1 John that "as He is, so are we in this world". Not as Christ was when He tabernacled among us, but as He is in His glorified estate.

But the main point here is that as we were dead to the things of God and in need of multiple sorts of saving mechanisms to ensure our lives here, whereby Satan was empowered as the recipient of the offerings to Mammon and money as the god of this age. We have a much more enduring treasure in Heaven, referring to a place NOT in the future but now. But you can only realize and activate it as the exchange takes place. And if you do it willingly before your choice is taken away, you get your empowerment now as your faithfulness to comply. We call this our victory over the beast system and mystery Babylon. A mystery because the carnal mind just does not get it.

It is a form of poetic justice that the last book in the Old testament of the prophet Zechariah, and the last chapter of that book being 14.16-21. Promises us that there will be "No more Canaanites".....16 And it shall come to pass that everyone who is left of all the nations which came against Jerusalem shall go up from year to year to worship the King, the Lord of hosts, and to keep the Feast of Tabernacles. 17 And it shall be that whichever of the families of the earth do not come up to Jerusalem to worship the King, the Lord of hosts, on them there will be no rain. 18 If the family of Egypt will not come up and enter in, they shall have no rain; they shall receive the plague with which the Lord strikes the nations who do not come up to keep the Feast of Tabernacles. 19 This shall be the [a]punishment of Egypt and the punishment of all the nations that do not come up to keep the Feast of Tabernacles. 20 In that day “HOLINESS TO THE LORD” shall be engraved on the bells of the horses. The pots in the Lord’s house shall be like the bowls before the altar. 21 Yes, [b]every pot in Jerusalem and Judah shall be holiness to the Lord of hosts. Everyone who sacrifices shall come and take them and cook in them. In that day there shall no longer be a Canaanite in the house of the Lord of hosts.

So we can understand that Cain and Abel being opposites from each other, present to us contrasts for our understanding. And because they were the first two to learn from, Keep in mind that with Cain meaning possessor, and Abel meaning empty and in need, that there would be a dependency of one upon the other, at least until those who have falsely placed their dependencies on others and have learned to redirect it towards our Heavenly Father who fulfills the character deficits. As long that give and take existed, the Canaanites would continue to eat people up. This is where the word “cannibal" came from.
