Words and Spell Casting

Words and Spell Casting.

The first introduction about Christ from John the Baptist was "in the beginning was the word. The word was with God and the word was God'. And because we are made in the image of God, and subsequently the Son of God in their lineage, then we too are our words. And the truth be told, the main reason we go through the creation experience, is to purify ourselves. You see we too have power in our words if in nothing else through persuasion. And let that be our focal point of this discourse being us as word as the offspring of God like the Son of God. Let is be said of us too as was of the Son of God. Not that we were word and became flesh, but that we were flesh and became word. That is our purpose for this age. And just so you don't forget or get stuck in distractions, that "flesh and blood does not inherit the Kingdom". But the re-spirited mind of faith does, and it does it during our time and our age of discovery. As Paul claimed "each one in their own order". So as NOT to get stuck on end times fascinations because the gospel was not given to transform the world, but to complete its tasks providing carnal sustenance for His creatures, but more importantly of His harvest.

However our topic today has to do with you becoming word. Not just any word or words, but only those that are authorized. And for that we have the Word of God, broken down into concepts fro your transfiguration. Even as paul said to "be ye transfigured by the renewing of your mind (the director of thoughts that produce words) that ye may know what is Gods good, except-able and perfect will. For you see, if we don't perfect our thoughts, then we cannot perfect the word, or words in us. And if we cannot do that then it is quite likely that some of or most of or even all of what we say may glorify the enemy and enemies of God. And just so that you know,that not if, but since there is power in your words as being made in the image of God, your enemy knows that and also knows that if they can direct your thoughts, then they can control what you talk about. And because of you being little images of God who in transition is word, given to us to transition to His likeness. But then for those who operate from their fallen nature of fear that was first experienced with Adam and Eve. If you are opporating off of fear and promoting it, you are using your God given ability to create to empower the God of this ages agenda to keep mpeople bound by fear. And one of the big lies is "end times", with the wars, rumors of wars.With bad news and bad things by just reiterating what you have heard from the news associated with "the prince of the power of the air that now works in the sons (offspring because this applies to women too) of disobedience". And it is disobedient because you take your God given power to persuade and repeat the lies. What you don't know is that the enemy must get you to promote his will, so that he can have human shields. Satan can persuade you, then you persuade others, and so on and so on. These all play it the enemies hands. And yes whatever power of word that you do have, is now working for satan.

isaiah 8 quote let Me be your dread, let Me be your fear. And in doing so, that power of persuasion from you created more impetus for a concept from the pit of Hell because the truth be told, Satan was cast on his belly at the beginning, but his persuasion lives on through what they call their

"useful idiots. And the bigger the lie, and the more momentum they can muster up, just empowers them, but more importantly, it keeps people in their fallen nature of fear and they love it to be so. And so do those making up the stories that you publicly affirm. That is why Christ said "fill up the measure of your fathers guilt" for promoting his programs.

But what about the gospel? Do you not know that liguistically the word gospel means "the good news". And we were told in Phillipians, "whatever things are noble and wholesome and pure. think on these things and God will swiftly put satan under your feet. Not because God let him do that, but you did. And when you repent? You get your empowerment, of something He gave you from the beginning, but because of your promotion of Satan's agenda, you lost all your powers because you were working off of your negative helic cycle because of the fallen spirit. Or, upside down, wayward way of thinking
