

Sad estate of the modern Prophet and eschatology

Yes modern Christianity has been hijacked and has become as ineffective as the Jews in the time of Christ. They are not entering the Kingdom, nor are they allowing those to enter who are trying to do so. Mt 23.13

For even John the baptist asked "are you the Coming One or do we seek another." And Jesus could have gone through a discourse of His 2nd coming and define the supposed raptures and resurrections and 7 year tribulation or whatever you see as the kingdom come and a future coming one to save and resurrect you but instead He said "Go tell John what you see" Then He describes of those who see hear walk and are resurrected then. But He must come again to do that?

It is the basic tenants of your faith that you announced at your baptism that you go into the water to put off the old person to be resurrected, raised up new "in Christ" Â that you Â now deny?

But our Lord has come! Hosanna, Oh Lord save now! Blessed is He who comes in the name of he Lord!" Whom are you seeking?

We have forward Â speaking prophets that are proclaiming a 2nd coming, and another Â resurrection and another kingdom to come, but the message was and still is "The Kingdom of God is at hand". Â This is that which was from the beginning. That which we have heard and handled, for we speak what we have heard and testify what we see. Â

The false forward speaking prophets being naked and unashamed, show their ignorance and Â spread confusion and lies and disruption to the body of Christ in our day by speaking of another coming one. Who authored that? The law and the prophets were till Christ. The scriptures having been fulfilled then, now we can only speak of the accomplishments of Him who said "it is done". Â For the law and the prophets were till John, now men are pressing into the Kingdom.

The prophets of old spoke forward of a coming one and the prophets of our day should be speaking of Him who came. The law and the prophets were finished with John. Jesus having fulfilled them need not fulfill them again

Even Jesus said these words to His disciples "there are some standing here today who will not taste death till they see the Son of man Coming in His Kingdom, see the Kingdom of God present with power. Â Christ is not just being manifest at a 1st and 2nd coming. That is the conclusion of all the visual seekers but He says "I stand at the door and knock" Who is opening? Who is listening?

They say in their hearts "He has a second coming after certain events" of which these always change to fit the carnal fascination of the day. When the truth is He has come for some and they have received it like those of the day like Peter, "We were eye witnesses of His majesty when we made known to you the coming of our Lord".

And it is not as though if we see Him we would be a better believer for even Peter having said these words said to us; but you have theÂ prophetic word which is more sure than what we heard, and you do well to pay attention to it as a light that shines in a dark place till the day dawns and the morning star rises in your hearts. This is where and how the Lord is coming for He does not come with observation for the Kingdom of God is within you (Luke 17. 20+)

It is "He who is the blessed and only Potentate, the King of kings and the Lord of lords who alone has immortality dwelling in unapproachable light, **whom no man has seen or can see.** To whom be honor and everlasting power. AMEN! (1 Tim 6.15+)
