

To the intent that NOW! Eph 3.10

Â To the intent that now the manifest, declared wisdom of God would be made known by the church to the principalities and powers in the heavens. To make all of us see the dispensation of this mystery. Paul said these words then and it is as true for us today.

Â

It is Christ's body, the church that fills all and all now (1.20) It was by His death and resurrection that He was seated far above all powers in this age and every age for all eternity. And this is a reality not at a 2nd coming but by the work of the cross.

Â

If we reject this fact and ascribe it to some 2nd coming where He will be seated and rule in all power, we are disconnected from the head that supplies the nutrients that make this truth your reality by the working of faith. So not only is He seated in all power, so are we because we are seated with Him and "In Him" All power and principality subject to us now. Not at a 2nd coming. This is the fellowship, the stewardship, the fullness and the mystery that Paul describes that is given to us now. All things being subject to us.

Â

Because " in the fullness of time God sent forth His son born of a women" to activate this reality by the working of faith. To be far above all powers being in Him, seated with Him, powers being subject to us.

Â

We do not have to strategize how to fight those powers. (I beheld as Satan fell from heaven) Satans fall is more the truth that we have been seated far above him. Way above a battle. This is by the blood of Christ and not relegated to a 2nd coming. Satan loves it that some refuse the gift by not going up and wait for a 2nd coming. We do not wait to be seated at a 2nd coming of Jesus but sit down with Him now.

Â

So we do not have to wring our hands or wrangle over an enemy for we have been delivered from this current age by faith. Even as 1st John says "You have overcome the wicked one"

Â

So Satan is a topic of discussion and an obstacle for those who have not accepted the invitation to sit down with our Lord in the heavens by the working of faith.

"To the intent that NOW the manifest, declared wisdom of God would be made known by us believers. This is not a 2nd coming event but is gifted to us NOW. Eph 1.3 of Christ " who has given us every spiritual blessing in Christ, in the heavens.

Â

In the gospels Jesus said "destroy the temple and I will rebuild it in 3 days" was speaking of His body. And He meant more than a physical body dressed in a robe. We are His body, the fullness of Him who fills all and all, everything every where, heaven and earth. And He is the head we are nourished from.

Â

It was at the cross He said "Eli, Eli, lama sabacthani". Then the temple was then torn from top to bottom signifying that the all the levels in the temple were exposed and that we were granted access to the top. This was "Thy Kingdom come, Thy will be done on earth as it is in heaven. To the intent that NOW!. But some look for this as a 2nd coming attraction for Jesus to come to earth and rule like a man as a king. But Hosanna came. "Blessed is He who came in the name of the Lord" All powers being made subject to Him, as He said "All things have been given to me from heaven and earth".

Â

The only reason He would have to come again like the 2nd coming seekers expect, would be to convince your carnal mind that it is so. But He does not convince unbelief with tangible facts for that violates faith. For why then would we need faith to please Him?

Â

Â

He has come and taken away the partition walls that kept us out of the Kingdom by the works of the cross. Not a 2nd coming.

Â

The law and the prophets were until John. Now the Kingdom is preached and all are pressing their

way into it. The kingdom has come to earth as it is in heaven. This is the mystery that was hidden that Paul finally learned to understand and presented it in the book of Ephesians. The kingdom has come, Christ is the Kingdom come, He is the kingdom at hand. He is the head and we are the body. We are "In Him".

^

2nd coming seekers are like a headless body because they believe that they rule later. But I read scripture that says "to the intent that NOW! It was said of those who looked to the apostles and prophets that, greater is the one who is least in the kingdom" meaning greater than the prophets . We stand on the accomplishments and the understanding of what they learned and brought forth for us. "Having been built on the foundation of the apostles and prophets". We stand on their works and are greater.
