

May 1 God is Knowledge

In the beginning was God before anything was made. In God was the design of all things. All things exist as a result of His design taking on positives and negatives of who He is. All things were made by God and for God and all things were made by the agency called His Son. His Son is His Word. God the Father is original thought that thought out design. The Son is the prespoken Word that carries it out. The Word existed in the precreative mind called The Father as an unspoken essence and perfect representation of The Father. It is in this way that we have The Father. "He who has Son has the Father also". The Son is the invisible Word of God that carries the thoughts of God with the power to create with the agency called the Holy Spirit of God, or the Breath of God.

Other ways to describe God the Father are thought, ingenuity, design, understanding and knowledge. Because God is the original designer and source of all things, God is understanding and knowledge of all things.

This is our topic today. God is the source of all knowledge. We can know things about God as a future coming 3rd person, or we can receive God through knowledge of Him as He is now by knowing how He currently is. He has given us every thing that pertains to life and godlikeness through the knowledge of Him. 2 Peter 1

So God in His original essence and substance is a compilation of all to be known. He is spirit and truth. To associate with God is to associate with this knowledge. 2 Peter says "we have been given everything that pertains to life and godliness (god-like-ness) through the knowledge of Him who calls us to Glory". So God is knowledge, and we associate with Him like Him through knowledge. We assimilate Him through knowing. Not just any knowledge, but knowledge of Him. And how do we gain this knowledge? Through the agency of the Father's Word called The Son. "In the beginning was the Word, and the Word was with God and the Word was God, He was in the beginning with God".

And "it is the God who commanded light to shine out of darkness, who has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ".

that the God of our Lord Jesus Christ, the Father of glory, may give to you the spirit of wisdom and revelation in the knowledge of Him,

till we all come to the unity of the faith and of the knowledge of the Son of God,

Yet indeed I also count all things loss for the excellence of the knowledge of Christ Jesus my Lord

ask that you may be filled with the knowledge of His will in all wisdom and spiritual understanding;

being fruitful in every good work and increasing in the knowledge of God;

attaining to all riches of the full assurance of understanding, to the knowledge of the mystery of God, both of the Father and of Christ,

Paul said of the Jews and Romans that although they did not like to retain God in their knowledge God gave them over to a debased mind. A mind void of God is at its core debased.

We can have knowledge of a thing maybe it's color height Statue location. We can have a particular interest in a thing Moore's personal specifics as far as birth dates favorite colors and such we can idolize person by having this particular knowledge. But the idolized never connects you with that which you idolize because that can be done from a distance in a far. Many people

idolize celebrities you could also know somebody more specifically being like a family member. These people you have direct contact in association with. You make it more personal. But to know God is even something deeper. Four does a collection of all these things because we know things about God correctly about God and we know God more intimately than any carnal Association. In the closest or than concept we could convey is that of Adam and Eve. That Adam knew Eve and she brought forth child. That they knew each other in this way with it was it ran a genetic transition

Added... In the beginning before a word with spoke was God. So before God spoke that means there were no things before God spoke nothing came into being. God existed alone. This is that from the beginning that John the Apostle beckons us to. All the genetic information for all the species subspecies plants and animals was in the mind of God waiting to be spoken. There was God and in the beginning was the word and the Word was with God and the Word was God and the Word was unspoken. Before a planet was put in place before the galaxies were made there was God in the stars and planets are many but each one of their routes in each one of their calculations axis and rotations was in the mind of God. Be more before man ever took a step on Earth before he committed any action good or bad God saw them and predetermined them all. Not that God committed them but God created them and allowed them for their time in their season.

So when God spoke and created these things and said on the sixth day that it was good very good the calculations in the conclusions of all things had been predetermined and nothing was outside of the prove a of his will.

So because of these things we can see that God in his origin is complete design knowledge understanding engineering. And because God was the creator in the designer in the Builder of all these things and they pre-existed in his mind as a thought God is information knowledge and understanding. These are his invisible elements at the core of who he is.

It is because of this that we can say God is knowledge. And for the sake of understanding the scripture when it speaks of knowledge and knowing we are referring to this fact that God's core element is knowledge. Not the ER than word of knowledge but a collective knowledge of all things. This is what God is.

People say that knowledge is power? To know a thing and to know about a thing and do understand a thing is awesome. But to know the source of these things as what we have. You can know about a thing or you can possess a thing and we have the mind of Christ.

I think it's important to make this one point let's God be blamed. When God said out all the Cycles circuits orbits and rotations he did not in there map out each step of man but put him in zones to be able to try out his choices. He has given each man their own expanse to experience their alternate reality so that they may in the end be equal to his. God did not create murderers thieves and Liars God created people and people are partially responsible for their own making by their own choices it's called Free Will and that's what distinguishes US above all other creations is our responsibility for our act and our actions of which we are accountable. So when God laid out the orbits the circles the Cycles in the seasons he did not ordained the steps of the murderer thief and liar

The sun existed with the father before he was spoken. It was when the word was spoken that there was an extraction taken place. And very similarly if we take a ray of light and deep fry it we can divide it in three pieces SO2 the Eternal godhead. This defragmentation is called the Father the Son and the Holy Spirit. When the father spoke breath and word came out simultaneously. But it was the sun being the word of God that was defragmented into pieces into time and matter this word of God is the sacrifice of God is the defragmentation described as the bread of life that cometh into the world and gives life to the world. So this breaking down of the word of God is the lamb slain from the foundations of the world and just carnally scene at the cross. It is for those who absorbed the word of God who absorb the very DNA of God in the very elements of God being the word and be in the spirit. The two things that came out of the mouth of God are built up inside of us and we become Godly. We are born again of word and spirit to be a kind of first fruits of his creation. We are elementally different. The overlapping concentrix of time and space of orbits end of everybody's alternate reality are then superseded. There are planes that break the sound barrier and we buy the word of God break the barrier of time and elements. We fulfill the word and ourselves that Christ spoke when he said father that they may be with us where we are. This is the same reason Paul could write that we have been seated far above all powers and principalities with

them. And just as a fish has gills showing it's a fish in a bird has feathers showing it flies we are Spirit. This is why Paul the Apostle greatly grieved to his followers saying You observe days months seasons and years I am afraid that I have labored for you in vain. He was not able to get them to cross the time and element barrier into spirit and Truth which is the purpose of the Gospel. That those being born above or born-again can see the kingdom of God and those who are born again can enter the kingdom of God and we are in Christ who is the kingdom of God.

So we join in with those who have received the second coming expectation, we have passed from judgement and we have passed death into life eternal life into the very presence and Glory being transfigured from the glory to the glory so we do these words are for you.

Taste and see that the Lord is good. Was this then a wafer, a cracker you tasted that you like and you return to? Or did you palette something with the spirit did you taste something somewhere else then your mouth? Do you see what we are talking about? Then you have eyes and ears and taste senses that are greater than a carnal nature. You have a new body. The concentrix of time in matter cannot hold

Now thanks be to God who always leads us in triumph in Christ, and through us diffuses the fragrance of His knowledge in every place.
