

Blasphemy and the Abomination that makes desolate

In our current time the term blasphemy is usually associated with one who uses god to curse. This may show the condition of the heart but there are other, more severe types of blasphemy.

Jesus Christ was accused of blasphemy by the Jews for calling himself the son of God, and making himself equal with God. He took one of the names of God and ascribed it to himself. However if anybody could do this it was him.

Blasphemy simply put is to take the holy, invisible things of God and ascribe to them carnal value. God who says, "where is the house that you will build me? For the heavens of Heavens cannot contain Me." That "as the heavens are higher than the earth, so are My ways higher than your ways and My thoughts higher than your thoughts, says the Lord". His things are far different from our things too.

It is the things of creation that were given to us to help explain in part who God is and what God is about, in his assorted elements and aspects. So when we take the things that are meant to explain the invisible, being the old and new Covenant descriptives, and then to associate them to be carnally assimilated? It is wrong to associate God with the creation of time and matter. A created thing God is not. The Creator does not become the created or God become something he wasn't before. And scripture says that Christ is the same yesterday today and forever. Something creation is not. We need to understand that when man fell, he fell in the spirit of his mind. And when he fell he took all the concepts of God down with him. Instead of rising to the challenge to become more and more like God. Now fallen man takes the concepts of God and makes Him into things on earth end an event to be experienced as a created thing. A created thing God is not. Those who hold the view that physical things are important to God are idolatrous, and commit spiritual adultery.

God is the reality before He created anything called "Spirit and Truth". We are in the alternate reality, the place of contrasts. Because when God spoke, He created something other than Himself, a secondary reality for us to choose our own destiny. Our journey is to arrive there, or be the recipients of the contrasts of God.

Blasphemy is to take the concepts of God and make them physical things. This is the contrast, and when it matures it becomes the Abomination of desolation. The culmination of all the Heavenly concepts of God made physically on planet Earth. Having a physical Kingdom and the physical King borrowing descriptions from scripture.

Christ said "when you see the abomination of desolation spoken by Daniel the Prophet let him who read understand". We hope you are following us. And Paul talks about this person "The coming of the *lawless one* is according to the working of Satan, with all power, signs, and lying wonders, why? Because they are the replicants. ¹⁰ and with all unrighteous deception among those who perish, because they did not receive the love of the truth, that they might be saved".

They refused the Heavenly calling. You see Satan assembles a carnal Kingdom for those who reject the kingdom of the Holy Spirit, the kingdom of God at hand, and he uses the old implements of faith. "With all lying signs, if possible to deceive the elect". Such are we who know.

What makes the abomination of desolation is a collection of heavenly counterfeits presented on earth to those who rejected the invisible counterpart, for them to be damned. Especially the representation of the old Jewish kingdom. When it is completed, there will be one there claiming to be the Christ. This will be the mark of the final wrath of God.

They collect all the things of God in a typical fashion that the Jews of old had done and receive the same reward. They were given to the Jews for transformation purposes only. According to Paul, it was the resurrected life they strove to attain while they were in a physical body. In other words they were to learn with physical Earthly things, the Heavenly reality. But this did not work, for even the scripture says of the old way "there is none righteous, no not one", and so the old covenant was fulfilled by Christ when expired as fruitless.

Christ having expired all the law and the prophets, to come along again today and try to reestablish the old on earth, is an abomination. And because God sent his son as the sacrifice to end all sacrifices, the feast to end all feast, then to have these people regather and re-collect to rebuild those things and restart the sacrifices and feasts, spits in the face of the New Covenant sacrifice of our High Priest who has entered into the temple not built by man, eternal in the heavens, having acquired for us eternal redemption to establish the New Covenant now in effect, is a huge spiritual blunder.

The old has expired and a third one is not in the making. God is done with this. Take the New Way or leave it. The old wine is not better. All there is left for these is a fearful expectation of judgment for those who don't get this.

To hold on to the old is the greatest blasphemy of all. With all lying signs and wonders. So the final element of the things of the kingdom of God is the king himself. Which is the man of sin who proclaims this thing is the poor fellow that has an x mark on his back that says hit hardest here. "Let them who read, understand, for them there will be great judgment such has never been seen". The days of grace for salvation will be over.

Repent and believe the gospel. The Kingdom of God is at hand.
