

Shiva, Appolyion and Cern

Revelation 1.3 Blessed *are they* who read and those who hear the words of the prophecy of this book, and keep those things which are written in it; for the time *at hand*. *Meaning they are relevant for you in your day.*

We as believers in Christ know and understand that all things are held together by the power of His word. That He is before all things and in Him all things consist.

In Hebrews 11 it says, By faith we understand that the worlds were framed by the word of God, so that the things which are seen were not made of things which are visible.

CERN the hadron collider however is trying to undo the things that are made, by smashing particles and atoms against each other, that are held together by God and claim they have found the god particle. What an insult! God is reduced to the smallest common denominator known to man? Blasphemy! This is actually a fight against the Creator with such a concept. That is why they have as their logo "Shiva the destroyer." The contrast of God. They willingly admit that they are playing with anti-matter, dark matter and the building blocks of creation in acts of defiance as if to shake their fists at the Creator. Who is blessed forever amen.

CERN has at its entrance a statue of "Shiva the destroyer". It has other pagan names of "Abaddon" and "Apollyon" as referred to in Scripture (Revelation 9). They all mean "The Destroyer".

The overseers of CERN know they are playing with fire, and fire produces smoke. That is why scripture says that an angel fell and the bottomless pit was opened "and smoke arose out of the pit like the smoke of a great furnace. So the sun and the air were darkened because of the smoke of the pit". However the sun that is darkened, is not the one in the sky above the earth but the Son of God, of whom scripture says "3 All things were made through Him, and without Him nothing was made that was made. 4 In Him was life, and the life was the light (sun) of men." This is what the smoke from the pit darkens, and the pit is the CERN of Shiva the destroyer.

The elect know that scripture was given to describe only realities invisible to the carnal senses, but everybody is looking for physical signs. In this case it is the smoke from the pit. You cannot see it with your eyes, but everyone knows our air is filled with electronic wave pollution.

Just as we have TV and radio waves infesting our homes with the capacity and drive to promote despicable things, along with cell phone and internet plaguing the human mind, outside of view to the naked eye. We cannot deny their ubiquitous, godlike existence with total saturation. This is the smoke of that pit that fills the air. Waves traveling through the air, with their destination to occupy

and make sick the minds of humanity. The push for free cell phones to the poor is world wide. Over 70 percent of the population has one. <https://www.statista.com/statistics/274774/forecast-of-mobile-phone-users-worldwide/>

The God given mandate to "be renewed in spirit of your mind" becomes blurred and obscured because it is preoccupied with too many other things from the cloud to challenge this.

Scripture says of this smoke that "it is something like locust's" dispatched to plague the minds "that had not the seal of God in the forehead" showing that it is in the spirit of the mind that the sickness takes place. The same place salvation takes place. Those who overcome the smoke are immune to the plagues. We see right through it.

It is the modern-day sorcery of pharmaceuticals, from the Greek word pharmakeia, which means witchcraft, which are the drugs of today, that are given to help people cope with these plagues. So scripture also says that these "repented not of their sorceries" meaning drugs. And people are more disposed to blame these plagues on global warming than interaction from the Creator who holds these things in place, who is responsible for creation and not CERN or global warming.

It is the electronic solutions today that come from the Cern, Shiva destroyer.

They peddle knowledge. They collect your information and they exploit this knowledge about you to manipulate you. Your cell phone button pressing gives you a dopamine high with psychotropic results that mentally feeds you to create a herd mentality. Your own shared brand of crazy. <https://www.usatoday.com/story/money/columnist/2017/07/03/why-youre-addicted-your-phone-and-what-do/443448001/>

The orchestrators who feed these brands of crazy works for their advantage leading you into forms of nationalisms, prejudices and pitting these groups against each other to bring about chaos, disension and hate to for population control. The old adage of conquer and divide. These are the tools of Satan.

It is scripture that is the knowledge of God given to us the elect. God is the exploited in scripture for salvation for our cause, but with CERN man is the exploited to neutralize them from being saved for their cause. Which is? The collection of human souls for slavery. And whereas the elects exploitation of God is godliness, cern's exploitation is mankind. To harvest your thoughts and feed your thoughts to control your actions to deactivate your mind from hearing God as you chase the gods of this age that imprison you by terms and conditions and seek to restrict you to your laptop and cell phone, the place where this opposition takes form. There is a reason it is called a cell phone. C e l l, get it? Prison cell. Put it down. A cell is always an enclosure.

Even the world wide Webb's logo is that of a net wrapped around the world. Indicating a trap for its inhabitants a web of confusion.. For the enslaved of humanity.

His Kingdom At Hand

Operational and Active Today

<https://www.hiskingdomathand.com>

The purpose of all of creation itself is to bring forth children of God. He who the Son sets free is truly free. We are above these things, seated in the heavens. We are free from these things and see them clearly because of our aerial view being "seated in the heavenlies in Christ". for God is spirit and God is truth and seeketh such, and such are we. But woe to the inhabitants of the Earth for Satan has come down to you having great wrath because he knows his time is short. this plague will compound deceiving and being deceived. There are those of us who have risen above the smoke, and occupy a stratosphere of the spirit of God. We are those who have victory over the beast over his Mark and over the name. We see below us the angel flying in the heavens above the smoke with the eternal gospel and the eternal gospel is?

As always, the kingdom of God is at hand, and it is not made up of components common to modern Man.

Warning! Do not let modern day religion sell you short, or rob you of your reward, but press in and lay hold of why Christ laid hold of you. This is your full some duty roll and go to God to acquire the inheritance He has given while while you are in this age and no other. For the day is coming when it will be said let those who are.....lest you wake up and are a shame that this day has passed you by.

The apostle John was in Patmos for the testimony of God and simultaneously in the spirit on the Lord's day. regardless of your physical circumstances know and understand this, that you too can be in the most hellish hole on planet Earth and being Spirit on the Lord's day with these heavenly views.

StopThe command in Revelation to come up hither, it's not a bodily rapture, because flesh and blood does not inherit the kingdom. But it is a call for you to buy the power of the holy Spirit rise above these circumstances and take your seat in your role next to the father in the sun.

The whole creation groans and trails waiting for the manifestation of the children of God. As the wheat and tares mature together.
