

For the Elect. You Shall Judge Angels

Letters to the Elect

You shall judge angels? Yes! But first you need to be able to identify them, evaluate and detach from them lest you partake of their judgment.

In 1 Corinthians 6 Paul gave us some information regarding our responsibilities as becoming saints for our inauguration as the Elect with these words.

² Do ye not know that the saints shall judge the world?

³ Know ye not that we shall judge angels? how much more things that pertain to this life?

It is in our sojournment here on earth in this life that we train for true godliness. Which is not a religious piety. It is God-like-ness. God is the Judge of all the earth, and everything else for that matter. God duplicates Himself through the Gospel. This is why God is "The Father of Glories" because His people are uniquely like Him. Which are called "according to the measure of those who are the stature of an angel" (Revelation 22.17)

We are raised above the fallen ones for analysis, discovery and insight into what they are doing, for our spiritual enhancement. Hence "ye shall judge angels". This life is our training center. We know who we are, in contrast to those who are fallen. It was those angels original purpose, to go between God and men. Having departed that cause, they don't get the next best thing but they serve in the opposite way. Instead of glorifying God for the sake of humanity, they glorify themselves for humanities demise and all that subscribe to their views and products.

Because they appeal to supposed needs of people, with faces of benevolence, but take advantage of the simple minded for dishonest gain, and building a name for themselves.

This is the sin of Babylon,

And they said one to another, Go to, let us make brick, and burn them thoroughly. And they had brick for stone, and slime had they for mortar."

Here you have modern day Zionism and Illuminati as seen by their logo of the Pyramid. Who have their seat in their capital in modern day Israel in Jerusalem. Whose supreme court building is infested with their icons, symbology and satanic imagery. "With all lying signs". They are counterfeits who repurpose God's names for their things on earth.

It was ancient Babylons quest to:

⁴ And they said, Go to, let us build us a city and a tower, whose top may reach unto heaven; and let us make us a name."

You see their logos in religions of today, embedded into streets and structures and on flags and currencies.

"You cannot serve God and money". And money is the blood in their veins which funds their projects that serve the beast.

It was God who said "²⁵ And if thou wilt make me an altar of stone, thou shalt not build it of hewn stone: for if thou lift up thy tool upon it, thou hast polluted it."

So they pollute defiantly. Their pyramid structure is made up of Freemasons, meaning Stone builders. Any persons, agencies that build upon their lies and glorify the beast are set up for eternal damnation. It's called a beast because God did not create it. It seeks to be God, but death and destruction are its paths and are left in its wake.

Even as Isaiah says "²⁴ And they shall go forth, and look upon the carcasses of the men that have transgressed against me: for their worm shall not die, neither shall their fire be quenched; and they shall be an eternal abhorrance.

It was Daniel who made known to the king his frightful vision, when he said that "In the days of these kings the God of Heaven shall set up a kingdom that shall not be destroyed or left to another people". He was speaking of this great mountain that crushed that Rock is hewn. But the Great Mountain is the stone that was built without hands. Showing for us the contrast in who the opposition is. Man-made verse the one come down from Heaven of God.

Make no mistake, the beast will not be glorified. That manufactured mountain will be dispersed and spread out like chaff in the wind. Even as they say in their lyrics, all we are is dust in the wind? They know.

At its appointed time .Daniel said during the days of these Kings?Yes the wheat in the tears mature together,and we are the light that defeats the dark that take back the things that belong to us. Us who are living stones built up a habitation of God in the spirit, living Stones have no other than elements.

It is those who have put off the body of sins of the flesh (Col 3.9), who commit no adultery, who have come out of Babylon, who perceive these things.

God in the beginning bestowed upon mankind the ability to judge, discern and allocate according to needs for the purpose to Govern and bless like God. To "have Dominion" and to be godlike on earth as long as they were in relationship with God for guidance and proper implimentation of His

things. But these have stolen, and re-impliment for their purpose.

To this we are restored when Christ's work is accomplished in us. Recieving the end of your faith, the salvation of your soul". And "All have sinned and fallen short of the Glory of God"? We are fallen no more. The Glory is re-attached.

The inner strength, power and ability was given to man but it was userped by another, Satan. Man was emptied from that strength and filled with fear. In this way Satan became mans successor of this power but not by God. God did not do this. God gives us "Love Power and a sound mind." This was traded for laziness, hatred cowardness and craziness.

Adam gave his power away when he turned from the voice of God and employed anothers advice, who was in the forbidden tree. This however did not thwart Gods plan because as the "All Knowing" He had prepared for the inevitability. (Yes, their is another coming "all knowing one" and we will get to that later. That is the forbidden fruit the other tree represents.)

God said immediately after Adam and Eves departure "behold man is become like one of us, to know good and evil (however the other tree teaches that too) and now, lest he also put forth his hand, and take of the tree of life and eat and live for ever." Which was the reward of the fruit of the tree of life. Man had the choice of sharing in God's things, but was tricked into believing they can become gods by themselves. So they went out on their own and God's things they were denied and the reason for their departure from Eden, God's garden of deliciousies where they were to enjoy the things God does.

God stopped mankind's ability to become God's forever enemy by removing the tree of eternal life from their reach. He however provides another entrance for that called salvation. Of which one of the products is stated like this "To them that overcometh will I give to eat of the **tree of life.**" **They get a do over.**

The Lord God sent him forth from the garden of Eden". Had God not removed the tree from reach, He would have forever enemies. For now there is just a temporary breach. But the patch for this repair was implimented being "The Lamb of God slain from the foundations of the world" so nobody would miss out on redemption for God is just.

It was man who departed so it had to be man to return. With the whole human race on the line the Godhead conferred. "Which one of us shall go and whom shall we send from among us?" And the Son said "here am I, send Me". And so He was appointed. In the beginning was the Word, the Word was with God and the Word was God. And the Word became flesh and dwelled among us".

This had to happen because Man departed, a man had to return, but before He returned He had to mend the tare and repair the breach. And because Christ was both God and man, He was the only one who could do this. "For their is one mediator between God and men, the man Christ Jesus".

For this reason He had to be both God and man to properly represent both sides as arbitrator.

Too bad they didn't eat of the tree of life first tho, but because they didn't, to this they were denied because God did not want this battle to insue forever. This anticipated event would not thwart God's purpose to His offspring for Glory. No, as a matter of fact, the offspring of another sort, becomes food for our understanding and objects for our development for whom we shall judge because we are re-imaged like God through scripture and the power of the Holy Spirit. We shall not be denied? No, God shall not be denied because we do not come in our own name but His. He is the way and we are His people "of the way". Our journey is to follow Him. He is our destination and to Him we arrive. "We are in him that is **true**, even in his Son Jesus Christ. This is the **true** God, and eternal life. This is the Gospel completed.

And because we were created for this cause, we need to understand that we must be ready for our public inaguration before this age wraps up, because we become active participants of the final implimentation of the things God has said, and proof that creation has served the Creator by producing replicants. We are doing that even now. Christ said "greater works shall you do" because we carry out the things He has said. We are congruent, we are the Elect.

"For the earth which drinks in the rain that often comes upon it, and bears herbs useful for those by whom it is cultivated".

God is the cultivator, We are the harvest of what God planted, being His Word. He see's His planting take root, and the things that He says coming forth from us and fulfilled the words of Christ saying "Father, I have given Your Word to those You have given Me and they have kept it". How does He know we kept it? Because we repeat the things He has said not from a text on a page, but of the things God has written on our hearts. We are the reiterations of the things He has said as proof that the scripting by the Word of the Son, and the penmanship of the Holy Spirith wrought from the Earth His prescious fruit, being His reverberations of Himself from us.

We have the final say as proof that Gods purpose of obtaining entities like Himself unfolds to perfection. Remember? He is seated waiting for His enemies to become His footstool" by us as His accomplishments.

"Let us make man in our image and likeness", and do He did. There is not one obstacle unforseen to the Everlasting Almighty King of Kings and Lord of lords to prevent this cause and effect.

"See *how* the farmer waits for the precious fruit of the earth, waiting patiently for it until it receives the early and latter rain. You also be patient. Establish your hearts, for the coming of the Lord ^[1]is at hand". Meaning within reach even now!

Since we understand that our enemies are our food, then it stands to reason that we should know them through the eyes of God with His views and His judgments. We know the mechanisms with which they operate revealed to us through our training Manuel called scripture.

The scriptures say that "the ruler of this world has been judged". Meaning condemned contained and incarcerated, only given permission to expedite Our cause. "The wheat and the tares mature together" and We have been sifted as wheat but got the victory.

The Prince of the power of the air and The gateways for the fallen angels final implimentation of deception.

The book of the Revelation speaks of a time when the bottomless pit is opened and contaminates the air. However it does not effect the vegetation. With this we can understand this contamination is not the air that we breath, but the air waves that seek to control us and saturate our heads. The vegetation is pervious to this because the carbon dioxide and oxygen are not affected. We are talking about an air or in Greek pneumas which also means spirit.

This is why Satan is called "the prince of the power of the air", be it radio, tv, internet, 4g, 5g or quantum computing and such. Satan has partial influence in all these as evidenced by the logos the influence becomes complete. As all info becomes available online and physical books and archives are destroyed, then s full scrubbing will take place. Right now there is scrubbing in part but then there will be filters to sift to you your daily meal of lies and entertainment for your enslavement. They called it a cell phone because it becomes people's prison cell where they live vicariously through imaginary icons and embellished self images. This is why "those who love the world, the love of the Father is not in them".

But for us there is only one Logo. Logo in Greek means word and the real Word is the Son of God. "In the beginning was the Word, the Word was with God and the Word was God, He was in the beginning with God".

This is the Elects Logo and the God of our age because we have implimented God's mandate to "come out of her my people lest you partake of her sins and recieve of her judgements". Yes we have put off the works of wickedness and have withdrawn our association from the gods of this age by not subscribing to their services by agreeing with their terms and conditions. Our subscription is one, God.

We say like Christ did that "The god of this age comes and he has nothing in us" because we opted out. We are allied to one. God is one, and we have no outside services. God is our provider for health, safety, security and retirement, a thing we never do because we live on and death has no hold on us because "those who have the Son have life, those who do not have the Son do not have life" because they bought in to other plans, with monthly payments to multiple services to exploit for themselves your earning potential which makes them mega conglomerates which blinds you with their empty promises because you work harder and longer but you are sicker and die younger, which is you working by the curse to earn money (you cannot serve God and money) which blindly keeps you in servitude to your lower fallen nature.

The gift of God to mankind from the beginning to be like God, has no value to those who subscribe to these invisible ones with logos

At some point this age will be unhinged from truth. Truth is being scrubbed from the internet as we speak. For now we have choices like in the Garden however the choice of eternal life by believing the gospel according to godliness of which we speak, is not one of them. Given enough time these venues will be truncated and completely severed from the truth which is "in Christ". They feed you your own personally, sculpture for you your own opinions to keep captive your carnal mind on world events to keep you from looking up. Your enemy knows if he can keep you looking down, you will not see "The Kingdom of God at Hand". He wants you enslaved and captivated for His using your own usurped power. Satan really is nothing for us. He is just a defanged lion and roadkill experienced by those in the world, from whom we have disenfranchised, because our franchise is from Heaven as "The Kingdom of God at Hand" with all Her provisions, all Her providers, all Her safeties and all Her luxuries, Heavenly Jerusalem come down from God of Heaven. (Galatians 4.26, Hebrews 12.22 and Revelation 3.12, 22.2 and 22.10)

You can tell by the various logos they stand behind and the content they broadcast, that they are sick treacherous deceivers for which the flames are stoking up even now.

And because Christ defeated Satan, sin and death at the cross, we do not get involved with such topics. We are the Elect who have surpassed that.

We do however observe and learn as we see the enemy of mankind progressing and developing in a continuance of a greater trap for the enslavement of those "born of the dust to return to the dust". It is these that have been given to the snake from the beginning saying "dust you shall eat all the days of your life". And those who work the earth with the curse? Their works are rendered ineffective and unacknowledged in the eyes of God. "For all the earth and all the works shall be burned for the eternal to remain. Therefore what manner of persons ought we to be in all manner of godliness". Meaning god-like-ness. So Satan and his minions only do as they are told and the only works that endure are the works of faith of the things we do at the behest of God.

What then do we learn from these enemies of mankind? First to identify who they are and how they operate. Christ said "if the light that is in you is darkness, how great is that darkness?" So we can understand that they are a false illumination. They bring to light not the knowledge of God, but the knowledge of self interests. They wake up appetites and feed them to people. How do we know what they are and how to be protected? We need not go any further than the Garden of Eden and learn of the tree of "the knowledge of Good and evil" and the warning God gave not to interact with the alternate source and the competition for souls of the things that are pleasing to behold and able

to make one wise, even Godlike. The alternate source. But God gave that as a free gift to all would be believers, but because that seems to easy, and faith is the only proof they have, they reject that for something more tangible.

Angels first domain was to meditate between God and man, being given power to navigate through the veil to deliver to humanity their nessesities from the Almighty God "for our God shall supply all your needs according to His Glorious riches in Christ Jesus. Angels before they aligned themselves to the apple tree, were mediators, then the prophets were, then Christ, then those are "in Christ" being "the body of Christ" as the final installment. "There is one mediator between God, and man, the man/God Christ Jesus".

Christ earned us of these darkened emissaries for Satan "you shall no them by their fruit". Well we know a manure pit breads flies and worms because it all stinks. But it is these that appear with promises of benevolence whose effects are destructive. "For Satan himself can transform into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works." Yes, they shall be judged according to their works because they deliver the opposite of what they promise, usually associated with their names and logos. These are just some hints at what to observe

Here is an example. They solicit parents to steal their unborn babies and send them home parentless and they planned it this way. "You shall know them by their fruit?" Their fruit is opposite what they solicit. Those who do this are slated for hell.

Divination, prognosticating, sooth Sayer, vaticinate, prophecyng and calculating algorithms are all verbage used to describe those who predict the future and put in a stupor those who subscribe to them.

Most high tech is just for this cause. They steel people's most intimate thoughts, feelings and quirks to anticipate what they need and want. In this way they steer them, control them and lead them around like blind people led by fear.

Amazon as inferred that it could know that a lady is pregnant before her or her doctor does by the way she has been eating and behaving.
