

The Wedding Feast is Now Ready

The Psalmist said "My heart is overflowing with a good theme;

I recite my composition concerning the King;

My tongue *is* the pen of a ready writer."

You see this can only be, if the King has a Kingdom, and the King has a Queen, or He is no King at all but a dreamer.

When Jesus Christ was on trial for blasphemy, which is impersonating concepts of God, they asked Him if He was a king. He answered saying "you have rightly said however My Kingdom is not from here".

If you understand scripture correctly, you would know that **Christ was born King** and an eternal being doesn't need to become something They already are. He set aside his deity momentarily to become one of us to show us the way. Where? To His Kingdom. Let us go up from here.

It was the call of the prophet Joel who said "Blow the trumpet in Zion, Consecrate a fast,

Call a sacred assembly;

¹⁶ Gather the people,

Sanctify the congregation,

Assemble the elders, and

Gather the children and nursing babes;

Why? Because of Joel's next declaration.

**"Let the bridegroom go out from His chamber,
And the Bride from her dressing room".**

It is the Wedding of Christ and His Bride that are laid out in Old Testament literature because it was relevant in their day, as it should be in ours because eternal things are not seasonal.

The Wedding is Central to the Gospel message. It is so important in fact that when a culture is blind to this feast, it is because they have forgotten about God and what is important to Him being their salvation. Meaning, the saving of them. They have been blinded from the full Gospel and cannot hear the invitation. They are too busy with things that distract them from pressing in. As Jesus spoke of the congregation in that day "to what shall I liken this generation? It is like children sitting in the marketplaces and calling to their companions, ¹⁷ and saying:

'We played the flute for you,
And you did not dance;
We mourned to you,
And you did not ^[b]lament.'

¹⁸ For John came neither eating nor drinking, and they say, 'He has a demon.' ¹⁹ The Son of Man came eating and drinking, and they say, 'Look, a glutton and a winebibber, a friend of tax collectors and sinners!'

Jesus goes on to say "But wisdom is justified by her children." Whose offspring we are if we understand correctly who our parents are. Wisdom is just a nickname for The Bride of Christ.

The Lord spoke through the Old Covenant prophet Jeremiah saying this in his day "**I will take away from them** the voice of mirth and the voice of gladness, **the voice of the Bridegroom and the voice of the Bride.**" Showing us the eternal relevance of Christ's Wedding Feast and that, that generation was under judgement.

They were denied access to the Kingdom of God because of their assorted distractions. You will always have these. Even as Christ scolded the Pharases in His day saying "you are not entering The Kingdom of God, nor are you allowing those who are trying to do so". Funny thing is they thought they were in God's Kingdom in that day called Jerusalem on earth, but that was just a physical replica made of elements specific to time. And that is totally unsuitable for the eternal Godhead body. Those things only symbolize something invisible too. This they forgot, and for this they were ejected. They thought God was earth bound, but oh contrary. His chosen are Heavenly

bound. Let us go up from here.

Christ with his own words explained this monumental invitation to The Wedding like this,. 22.² **“The kingdom of heaven is like** a certain king who arranged a marriage for his son,³ and sent out his servants to call those who were invited to the Wedding; and they were not willing to come.⁴ Again, he sent out other servants, saying, ‘Tell those who are invited, “See, **I have prepared my dinner**; my oxen and fatted cattle *are* killed, and **all things are NOW ready. Come to the Wedding.”** **but they made light of it and went their ways**, one to his own farm, another to his business.⁶ And the rest seized his servants, treated *them* ^{la}spitefully, and killed *them*.⁷ But when the king heard *about it*, He was furious. And He sent out His armies, destroyed those murderers, and burned up their city. (Because it was the counterfeit)⁸ Then He said to his servants, ‘**The wedding is NOW ready**, but those who were invited were not worthy.⁹ Therefore go into the highways, and as many (of all Nations) as you find, invite to the wedding.’¹⁰ So those servants went out into the highways and gathered together all whom they found, both bad and good. And the Wedding *hall* was filled with guests." If you have followed us this far, you may be one of them, for the gospel is not complete without this feast and coronation.

We need to ask ourselves, if The Wedding Feast from God was proclaimed through the Prophets Joel and Jeremiah , then taken away because they didn't listen, where does that leave us today in a time this seems so foreign to most? Has it been taken away from us as well? I mean if The Wedding Feast was central to the gospel in those ages, shouldn't it be of monumental importance today too? That **The Wedding Feast is still Now ready?** Hmm.

If we can understand that scripture was given to make visible the invisible, concurring, eternal realities of God in Christ. That there was a "Kingdom prepared from the foundations of the world", that "The Kingdom of God" is always at hand, that a Kingdom infers that there is a Kingdom and a King, a culture and a Queen, then **we should accept the fact that the invitation to the Wedding of God's only Begotten Son is relevant anytime.**

Why else did Jesus say when they asked if He was a king, that "you have rightly said that I am King, however My Kingdom is not from here" thereby distancing Himself from their Jerusalem. His Kingdom is not of this creation.

The Wedding Feast is the Bridal Chamber of Glory. It is about God's Only Begotten Son.

God's image was split in the beginning when God put Adam into a deep sleep and extracted his rib.

Adam was formed from the earth, Eve was not. She came from man. Here it wasn't the atom that was split, but Adam. All that are born from them are born into the world and are in a deep sleep from the things of God and need a do over.

This is why Jesus said you must be born again. The split of Adam and Eve were a prophecy of something invisible because the real split of the image of God is when He first spoke. From the proverbial mouth of God came forth His Word/Son and His Breath/Spirit. They split when God spoke. To bring these back together is The Restoration. And where does that take place? Inside of us. Jesus said "The Kingdom of God is within you, and here is the place God's male and female reunite and become one in us. And because the disciples assembled in the upper room, we can understand that the upper room where The Wedding takes place is the upper room on our shoulders. The male and female aspects that came forth from the proverbial mouth of God in the beginning, find their union in us. It is not so much that we are invited to the Wedding as much as it is we invite the Wedding to take place in us.

It was Jesus who said "destroy this temple and I will rebuild it in three days, speaking of His body. He was showing us that our body rescripted with scripture and refitted with The Holy Spirit is His temple too, and our mind is the upper room.

We can understand that "in the beginning was the Word the Word was with God and the Word was God". When God opened his mouth and spoke, His Word came out, and His Spirit came out as seen by Her brooding over the face of the waters.

Before God's Son became the man Jesus, He was God's Word, after He completed His task on earth He returned to His original composition that He has always been. Like He told the disciples "I go to the Father and you see Me again no more" meaning in a carnal way. Even as Paul said "we knew Christ once according to the flesh, but henceforth know we Him that way no more" meaning never again.

God's Only Begotten contains the Genetics of the Father

The Word of God is information about God. Genetic information. Just as various genes when laid out under a microscope display the makeup and information of a creature, so too when we closely examine the information and make up of The Son of God, being The Word of God, of information about God, we use this for the transfiguration of our mind, being renewed in the spirit of our minds. Our minds being fit with Gods Word, then joined by the expansion of the Holy Spirit for incubating the truths of God. That is why She is The Brooder, Comforter and Christ's other Helper, like Adam had a helper, so that you are not orphans. She is our embrionic sac, with God's word in us, this is

our new creation, or us newly made. In this way we have our do over. We are born again.

The male aspect of God's Word

The Word gene comes from the word Genesis. Genes are information, information received is knowledge. We receive God's information through knowing Him through His Word. Peter says "we have been given everything that pertains to life and godliness through the **knowledge** of him who calls us.

We adopt God's Word and become adopted into the Family of God. We are His offspring with His **genetics**

Paul said ,how is it now that you have **known** God, or rather been **known** by God, meaning like Adam **knew** Eve **genetically**, how is it that you seek to go back to the weak and beggarly elements of creation? Must I labor again untill Christ is formed in you?

So when Nicodemus asked Christ "must we go back to our mothers womb to be born again. Here is the answer.

The Female aspect of God.
