

Appropriating Our Benefits Package

As we are called out of the world to secure our place "in Christ", it is important for us to know how to appropriate our benefits package, and "that we may know the things that God has freely given us". We need to know how to effectively manage and use these gifts lest we be classified as lazy stewards of the mysteries of God. Of the things God has given us, so you can be sure you will be tested to make sure you know what you have. You're gonna need them, and God did not leave you alone to fend for yourself. So let this be a clue on what you should use in your tests. Like Satan said to Jesus in the wilderness "has God really said?" How well can you answer?

God puts us The Elect in precarious situations to see if we use the world's safety nets, or if we apply God's. These are our choices, our options of His plans. And having found the providers and perveyors of the things of this age that are lacking, let us be found under God's coverages and service providers, as made known to us in scripture.

Here is a rule of thumb; If you are paying for it, it is not of God. If you are praying for it, it is. You cannot serve God and Mammon, and you cannot buy the things of God. For that is an insult. And if you have found it given to you in scripture, you have the authority to use it even as Jesus did. if you see the provision in scripture in don't use it, you insult The gift giver. There is certain retribution for those who have been opened up to know the mysteries of God and then walk away from them.

Jesus commended the widow for trusting in God for giving her last two pennies away? It was because she knew that she had a more enduring treasure and the principals for using that treasure is that you have no back up plan for just in case as the gods providers have lapse of coverage has.. The widow gave what she had because she knew how to activate her treasure. That it was opporational and active then, even as it is for us today, if we have that same kind of faith.

Jesus Christ claimed to do the works of the Father, because He is The Word of God, and when we do as Jesus did with His words, the Father listens and answers us too because we come in the name of His Son. Even the angels see the face of the Father in these little ones and obey.

This is what it means to be in Christ. God's Words that come out of our mouths sounds like His Son because when we express these requests by faith, that pleases the Father. That is the conduit to receive a provision from God. And because God and Jesus Christ speak a word and it is so, so do we if we do it according to the principles of faith.

Even as James says "a perfect person bridles their mouth, who also said to those who did not ask in faith, let not that person recieve anything from the Lord. But some of us ask and receive to move mountains "be thou moved into the sea and it shall be done for you". So you know there are no obstacles too big to stop you.

Let's look at our example of Jesus when "He became flesh and dwelled among us" before He finished His task and returned to the Father. Even as Jesus said to the Father "Father I have completed the task you have given Me. I have manifest My Word to those whom you have given Me out if the world and they have kept it. They know truly that I came forth from you, that I return to you, and that they see Me again no more" at least in a carnal way, yet they see Me as as I (truly) am. An exact image of You because He who has seen Me has seen the Father. As long as they are not fixed upon the flesh, they can know Me, and they can know You". And because God is Spirit and God is truth and seeketh such? Such are we. We take Him at His Word. We see Him as He is, and become like Him. And because We accept Him as He is, He accepts us and become the amalgamation of that one.

So this is how and where we go to receive, assimilate and appropriate the things of God, so that we can enjoy the reality of who He is, and the blessedness of apprehending the gift of God according to Godliness. Even as John said of Jesus and us, that "in Him dwells the fullness of the Godhead body, and you are complete in Him who is Head over all powers and principalities". This is true in this age and every age. You are only hindered because you don't have the faith. Faith comes by hearing the word of God because we become that Word we read to become like God's Son who "in the beginning was the Word, the Word was with God, and the Word was God", and for us we receive Him in that form, we receive Him as He is and we are like Him. His Word in us equals our likeness of Him. Even as Christ condemned some saying "if you abide in Me and My words abide in you, you shall ask what you want, and it shall be done. Here are your tools to impliment what God has given us. This is the currency we need to aquire these things. Not paper instruments with pictures of dead men, but to reiterate word, God's Word, God's Son in us. He sees Jesus. In this way we are in Christ, the owner and executor of The Estate, we are joint heirs of the Glory. And we, beholding as in a mirror the Glory of the Lord, were transformed into His self same image from the Glory, to the Glory as by His Spirit. That verse is expired in us. And because God is eternal, and God is complete, we don't have to wait for anything for the allocation of this but perfect faith. Isn't this what Paul acknowledged his purpose was? To bring us to this point? ¹³ till we all come to the unity of the faith and of the knowledge of the Son of God, to a perfect man, to the measure of the stature of the fullness of Christ; can you recieve this?

For you nesayers and deniers, you haven't really got it until it comes out of your own mouth. But here is the promise to those who can receive this.

when He comes, in that Day, to be **glorified** in His **saints** and to be admired among all those who believe, because our testimony among you was believed.

Part 2 So join us in examining and reciting these truths until you too are renewed in the spirit of your minds with scripture to become like us because there is no other way to the Father and there is no other way to impliment the things He has given us. Lest any of us fall short of the Glory of

God, because that is what has been given to us.

The things that stands between you and the full aquisition of the benefits and coverages provided to us through the Christ of the cross, is by trusting in others and by not being renewed in the spirit of your minds and accepting all the gifts of salvation. For the time is coming when Rev 22.7

It that day many will say "Lord Lord, didn't we do many good deeds in your name?" And maybe so, but you did not receive the provisions I have for you. Not only did you pushed the products of the gods of this age, but you did it in My Name, says the Lord. As if God has any association with such. You cannot partake of the Lords table and the table of demon's. Even as the Lord says "come out from among them and be ye clean. Then I will receive you. (2 Corinthians 7.1)

You see if you are waiting for a second coming savior to deliver you from the gods of this age, you are decieved. That makes the Christ of the cross a liar. The Son of God came into the world to save is a hoax if He indeed did not accomplish that. And anyone who is waiting for the next Jesus to save them believes a lie and insults God and His Son who spilled His blood and implimented the last and final contract for all our needs called "The New Covenant". There

There is only one saving act and that is the cross of scripture is untrue because "God sent His Son into the world not to condemn those in the world but to save them". And the Spirit testifies of the words of Jesus that "I go to the Father and you see Me again no more, at least as a human. Because if Jesus has to come again to perform another act to secure your place at the Throne with The Father, His previous Testimony is a lie. And that cannot be because lies are the attributes of Satan, because he has lied from the beginning and he is the father of lies.

So we know the things that are offered to us in this age for our safety, health, happiness and longevity, are illusions at best because "all the promises of God are yes and amen in Christ"and not in the world.

So we must understand our distinction. We are those distinguish among Christ as being His guests and co-inhabitants of the Father, enjoying even now the things they enjoy being complete in themselves with no need for others, and so are we. That is why John says in his first epistle.

"That which was from the beginning, which we have heard, which we have seen with our eyes, which we have looked upon, and our hands have handled, concerning the Word of life—² the life was manifested, and we have seen, and bear witness, and declare to you that eternal life which was with the Father and was manifested to us—³ that which we have seen and heard we declare to you, that you also may have oneness with us; and truly our oneness *is* with the Father and with His Son Jesus Christ.⁴ And these things we write to you that ^[a]your joy may be full". And we are absolutely estatic.

So let us observe how Jesus implimented His benefits package so that we can learn to impliment it

ourselves as well.

Jesus Christ was tested in the wilderness to see if He would give in to the god of this age, Satan, whom we call the tempter. You see Jesus Christ had to go through a series of testings to help others through theirs. As it says in Hebrews, "For in that He Himself has suffered, being **tempted**, He is able to aid those who are **tempted**." In this way Christ qualified Himself as the "Author and finisher of our faith" concluding that He is with us in our journey as the closer.

Hebrews also said of the Christ that He "was in all *points* tempted as *we are, yet* without sin. (Meaning He mastered sin) ¹⁶ Let us therefore come boldly to the throne of grace, that we may obtain mercy and find grace to help in time of need".

So we can understand that we are not alone with our journey, and because we can go to the storehouse of all things, being the Throne room of God, we can "find grace and help" and whatever tools we need to help us in our transformation.

I know some understand God's throne by the thunder and lighting, but we have a more simple access point. Even as Jesus said while He was in the flesh "ask the Father anything in My name and He will do it, showing us that we have everything we need for any test that comes our way. Even as Peter affirms that "that according to these exceedingly precious promises, we have been given everything that pertains to life and godliness through the knowledge of Him who had called us".

And from Ephesians "we have been blessed with every spiritual blessing in the Heavens".

So we see with Jesus in his wilderness test not succumbing to the god of this age but drawing upon the riches and promises of God's Holy Writ. That if God said a thing and Jesus repeated it as His own, we can be certain that if we reiterate His sayings too, that we would have the same results. Today these things are fulfilled in your hearing, because today is the day of salvation without surrogates.

Doesn't scripture say that we are joint heirs of the things in Christ? That "it's the Father's good pleasure to give us the Kingdom" with its safety features, health prosperity and fullness of joy?
