

Thou hast prepared a body for Me

Thou Hast Prepared a Body for Me.

Therefore, when He came into the world, He said: "Sacrifice and offering You did not desire, But a **body** You have **prepared** for Me."

This was spoken by the pre-existing Christ who would come into the world to perform salvation. You see all spirit beings need carnal bodies of some sort to interact on earth.

They have to take on a body with an intelligence, presumably human. And however true it may be that Christ became flesh and dwelled among us. And He said in the Psalms "a body thou hast prepared for Me, we don't need to assume that the fallen angels who are on the earth today need to be in human bodies. Yes humans are the highest order of Gods creation. And the highest accomplishment of mankind is to come together as fortold of in Babylon saying "come let us build a tower to reach to the Heavens". You see any such collected efforts that reject God, becomes the enemies of God. These are the counterfeits and anti-Christ's.

We see that what Babylon boasted then, is boasted again in the form of the internet with its ventricles everywhere. Let us track and control everything all the time.

It is not just a computer, but the interlocking of all computers, laptops and cell phones, with chips and readers everywhere called "the internet of things" possessed with demons. This is the brain, or collective consciousness of new Babylon.

It was called Babylon, the city of Babel, meaning people who talk but make no sense. Today they all make sense on the internet. Yes all the world's languages have their voices with interpretations in their own dialect.

You see this same thing in Jerusalem of old where they all spoke in tongues and dialects from whatever region they were from. Yes, God's Heavenly Jerusalem has every nation language and tribe represented their as evidenced in Revelation 4. So you know which one is the cheap imitation. How do we know? Because we are from a different conglomerate called the body of Christ" and we have "the mind of Christ". We can discern the cheap counterfeit.

So you can see that as the old Babylon had counterfeit concepts of a collected humanity, then it should be no surprise t you that "the dillusion with all lying signs and wonders", takes on the same features today. We are warned in scripture not to be decieve by the Antichrist system with seamingly god-like capabilities. What you need to know is how all this fits into God's plan.

You see Christ had a body prepared for His Spirit, so too the anti-christs. But they don't have to take on human form, or the form of Roman statue's. They just need a voice and mechanisms to

interact with humanity to steal people's God like abilities hidden in side every person. This is the ploy. But make no mistake, they are here in full swing stealing and decieving. And they will use any device or instrumentation that is connected to the internet. The idea of occupying humans is okay, and they have lived on in the same bloodlines for ages. But they want something that lasts longer than human bodies, as long as they know they can step in and out of them anytime they want. T

Think about the man called "Legend, for his demons were many'. They settled for a herd of swine, how much more the various mechanisms of the internet, and even synthetic psyborgs. A.I. or, artificial intelligence is not artificial. It is demonic. It is legends, a plethora of devil's. It is the accumulative of all that is evil, disguised in benevolence. For even Paul said even Satan disguises himself as a messenger of light, how much more his agents?" Yes instant messaging is not an agency for God's messengers. God does not need the airwaves. Satan and his minions do. That is why he is called "the prince of the power of the air that now works in the sons of disobedience". So you know where the rebellion takes place. You know where their nests are, and their hives are. Google nest, Echo Hive?

Think about it. If they took on other body forms they would be smaller and less effective. They are a conglomerate. And think about it, any entity that is a conglomerate, is a collection, and the collection and centralization of all conglomerates is as godlike as something can get.

The harvesting of all human endeavors, the repackaging and profiting off of those in allegiance to this entity, these are all in servitude and slavery to that cause. However benign that entity may seam, or however benevolent, however godlike, it is not God. It is however designed by God to give to humanity an option for those who reject God's benefits packages, according to your need, not your lust.

We opened up with a body being prepared for The Son of God. Here is a competitive body with a collection not if the body of Christ, but of demons. The body not of Him who was and is, but must become and go into perdition as outlined in The Book of The Revelation.

The fallen angels are having a hayday in our day because many are expecting them to still come. But they are already here. The capstone of the pyramid depicts the www. eyein the sky. The collection of all survailence, administration, benevolence, industry, currency and governing powers, for the orchastration of all commerce, to decide everything for everybody. And how was this godlike entity given power? By each person accepting these benevolent services one app at a time, agreeing to terms and conditions, giving people full liability for the consequences.

You have been warned.

"Come out if her My people, lest you partake of her sins and partake of her judgment for God has remembered her.

And from the book of Hebrews 12 referencing God's mountain made without human hands, and not the Masonic one made with 33 degrees of bricks. As the Lord told Moses " in the day you use a tool on it, you have defiled it, you shall not associate My Name with such.

The Body of Christ vs the body of the antichrist. Yes God has prepared a body for them too. All who agree to be directly linked to this, for a collective consciousness and mutually pledge to terms and conditions to be of one mind to serve that beast will all be bound for the eternal fire.

This counterfeit us the trap. It genetically modified all it's accomplishes. There are souls allocated to God's sequences only. Satan gets the others.

"Where one goes, they all go". They are in lockstep into perdition and none shall escape.
