

Know Thine Enemy

Know Thine Enemy

Simply put, if it's Gods enemy, it is your enemy. Satan is set out to do damage against God by disrupting His offsprings maturation. Non the less, the wheat and tares mature together.

Satan will mimick, modify copy and impersonate all the aspects of God to confuse us. He is evil however the best hiding place for him and his consortium is to pretend to be good. He shelters his people in shields of Gods names and anything associated with God. They love the names and words that describes God and His people from scripture. This is how they decieve. That is why they are called counterfeits.

As scripture says "you know those who say they are Jews and are not but of the synogouge of Satan". And so we should know them. And "you cannot serve God and Mammon" meaning money.

Paul says "evil men and imposters will grow worse and worse, decieving and being decieved". Showing the lie gets bigger and those who are decieved or duped, serve the decievers.

Paul also said "whose coming is according to Satan with all lying signs and wonders if possible to decieve the Elect". So most people fall for their schemes. We battle them with scripture being The Armor of God. "For our weapons are mighty through God for pulling down strongholds and every high thing that exaults itself in the place of God". As pertaining to our hearts and minds. "Having the ability to avenge when our obedience is complete".

1 John 2 says ¹⁸ it is the last hour; and as you have heard that the^[d] Antichrist is coming, even now many antichrists have come, by which we know that it is the last hour. ¹⁹ They went out from us, but they were not of us." So they know all about us and hide among us.

Building Blocks. Bricks or stones? Natural or manmade.

Yahweh spoke to Moses immediately after giving the Ten commandments saying ²³ You shall not make *anything to be* with Me—gods of silver or gods of gold you shall not make for yourselves". The creator does not need us to create things for Him. He is interested in your inward parts.

Who then said. ²⁵ **And if you make Me an altar of stone, you shall not build it of hewn stone; for if you use your tool on it, you have profaned it. This is why the illuminati uses bricks, as if to shake their fists at God. And why the bricks that make up the satanic pyramid symbol are blasphemous.**

God shall not be worshipped with man's devisings. It is Babylon of old, whose symbol is the pyramid made up of hewn stones. This pyramid has many levels and in general is known as Free

Masonry. Mason's are stone cutters, they hew stone (but not physical ones). And as God said " **if you use your tool on it, you have profaned it.** So they do this defiantly. The pyramid is the chief logo all others hide behind.

Many corporations are counted as the substructure and stones in the makeup of the Mystery Babylon pyramid whose building project is completed when the www. Eye in the sky or, the internet of things has stolen full control over humanity.

The clue we are there is when the mark of that beast, or control mechanism they seek to install in every human is mandatory. That is why those who accept the mark are eternally damned. The god of this age will have full control over you with your permission.

We can see that the eye or the pyramid fits nicely over their logos, do you know who they are. Time will tell that the hydraglyphs of old are eerily similar to corporate logos.

Logo means "word" in the Greek, and the Greek logos is God's Son. The Gospel of John starts out "In the beginning was the Logos. The Logos was with God and the Logos was God", showing us the true Son of God and also displaying for us their cloaking mechanisms of other logos.

As a side note: corporations who wear logos are manmade entities. Some may be good however not one of them was found on Noah's Ark because only Gods "kind begets according to kind" was of God. Corporations are manmade and considered to be the hewn stones of Freemasons building blocks for full control and power with money, or currency. Just as a home or a city is lit up and run by electricity, they are illuminated and empowered to operate and govern with money. You cannot serve God and Money, so you can measure your service or worship to who your God is.

Demonic powers flock to these manmade entities because they have no bodies of their own, and corporations outlast humans so they make a more suitable host for fallen angels. That is why Rothschild said in essence "it matters not who is elected, but who controls the maney". So we can see their main roost and who is at the top. Those who are enslaved to this world system with money unknowingly worship Satan.

Suitable host bodies for demons.

Note: the word for women in Hebrew is "bath" and is feminine. Also used for cities, villages and companies and branches. Corporations are companies and fallen angels roost in them as suitable entities for them to multiply in and branch out. They have a corporate facility and branches to extend their coverage. You can start to see that the nomenclature paints a picture of who they are, or where they (fallen angels) are hiding. They are hiding in plain site and the blood in their veins or currency to exist and maintain power are your continued support for their services and your monthly payments for their promises to keep you safe and free from fear and harm. And since Satan stole Adam and Eves ability be as gods through fear, now you know that the borrower

serves the lender and how Satan has power over people by offering them things for safety security and health in the event that something bad could happen.

Each time you agree to a service provider of any sort, you insult Him who said "I will never leave you, or forsake you". This is an all encompassing phrase which has a broader range of coverage than all counterfeit providers put together, and every time someone makes contracts and accepts terms and conditions from these service providers, they put themselves under someone's care than the Living God.

We pledged allegiance to one nation under (the protection and provisions) of God. Having stepped out from under His care. We are under the care of others. I hope you are waking up. Seek God and allow His Holy Spirit in conjunction with His Word, His Son, His Logos, rescript your thinking to disassociate from Satan's providers that keep you on the treadmill generating income to power his entities.

When God said it would be as in the days of Noah, the self proclaimed sons of god went into daughters of men and produced offspring of their choosing. Today we can see companies with their logos being satanic, are detaining people from God through their false acts of benevolence. "For Satan himself disguises his messengers as angels of light" and acts of benevolence.

Most are worldwide and not bound by human governments but many people are bound to them and their services by terms and conditions. And just like the tree of knowledge in the Garden of Eden, they have things desirable and able to make one wise. It is our spirits that are stifled while the flesh is enflamed. God said in the day you eat that fruit you die. Yes many are dead to God's Holy Spirit but empowered by the www.Eye in the sky to be all knowing, powerful and godlike.

Beware: Every time you accept terms and conditions for services, you give up a piece of your own God given sovereignty and become more blinded and enslaved. That is why we are instructed to "come out of Mystery Babylon My people, lest you partake of her sins and receive of her judgments for God has remembered her. The Judge is standing at the door. Fortunately another angel was told to hold back the judgment until the servants of God were marked in their foreheads. If you are in this group, you know that the enemy wants to stop you and your loved ones with his little prick that has a DNA modifier in it.

Like a home with an unauthorized address change is not recognized by service providers and cut off, so too with modified DNA. A change in sequencing or an added component makes you a creation of another. Noah was the only righteous in his generation? Generation means gene pool and he was not a GMO. Because all the plants, animals and people were perverted in this way, they were destroyed. They were not God's creation or sequencing.

Think of the alterations today. We are "as in the days of Noah". Our ark and our covering is to be hidden "in Christ". In the world but not of the world. He is our shelter from the storm.
