

Fill Up The Measure of your Father's Guilt

Fill up the measure of your Father's Guilt, for in them was found the blood of all the righteous men and prophets. Of the blood shed from righteous Abel to Zechariah the prophet, whom you slayed between the porch and the altar, it will be required of this generation.

It was the Jews of old who were called to sprinkle the blood of their sacrifices over the porch and the altar to make it clean, who sprinkled the blood of another sort and became defiled. The blood of the prophets was found in them. They never came clean even as scripture says "you adorn tombs for the prophets showing you are guilty". They were seen as good but never were exonerated. The people never wept over their crimes.

We see the blood shed of another sort today and many populations are implicit. Meaning they are co-conspirators. They will be held accountable and by due process of the almighty God be condemned. For what? You say? For all the abortions up to Roe versus Wade and beyond. You see we have never come clean in the eyes of the Almighty God for these atrocities. You see the mother's womb is supposed to be the safest place on planet earth, and from here they are pulled out by forceps, preferably in pieces because the law says the baby can't be used, but the pieces can, so they dissect them inside the womb and sell the parts wholely functional showing that the baby in the womb suffered a horrible murder. The number to this day in the U.S. alone is....

If you say you didn't know and you took part in them, and you haven't taken it to the cross, you are guilty by association. But more than that. If any of those baby parts, organs or blood, or products associated with such are found in you, your home, your pantry or cupboards, you also are implicit in the crimes of humanity if killing babies and will be tried and convicted by The Almighty God for profiting off of the continued mass murders of unborn babies.

It only takes a few minutes to examine with the internet the uses of products associated with fetal parts and tissues, to find out that your food, cosmetic products and pharmaceutical (means witchcraft in Greek) products are laced with DNA from aborted, murdered babies.

As it was said of old "Fill up then the measure of your Father's Guilt" again in this day. Everyone is guilty by association. You see the enemy of your soul knows that if in you is found products of dead babies, you too will be subject to the wrath of God. Fill up the measure of your Father's Guilt, means you sided with the enemy. "God is willing that none should perish but repent and receive eternal life". But if in you is found the products made from these babies who had a purpose with God, you are guilty by association.

If you think that can't be, you have to look no further than the testimony to understand from than the last Jewish city on earth of whom scripture says. "In you was found ALL the blood of All the prophets and ALL who were slain by her.

Jesus who wept over Jerusalem and said ⁴² saying, "If you had known, even you, especially in this your day, the things *that make* for your peace! But now they are hidden from your eyes. ⁴³ For days will come upon you when your enemies will build an embankment around you, surround you and close you in on every side, ⁴⁴ and level you, and your children within you, to the ground; and they will not leave in you one stone upon another, because you did not know the time of your visitation."

You see they never came clean by the blood of Jesus because the blood of those prophets was associated with another sacrifice. So too with the babies today. It's too late for our country who is saturated in the blood of the unborn, the partially born and the sweat and blood of all who are killed and made slaves (the ultimate belittlement to the image of God found in all humans) by The New World Order. And who spearheads this project world wide? Well Well no further than the dollar bill whose insignia says... And had the globe saturated with these iou's made payable to those who say they are Jews and are not but if the synogouge of Satan. So you can see they have the same Father as the Jews of old and have the same demise. Time will only tell of these filling up the measure of their fathers guilt and the relentless judgment of God due for these crimes. This is why the people of God are called to "come out if her My people lest you partake of her sins and receive of her judgments, because God has called due her debts and ready to close her accounts.

To come out of her is not a physical journey but a seeking of God to cleanse your conscience and your spirit. To come clean with God. The Holy Spirit us given for this cause do that when the gavel hammer goes down by the judge, you have been sided with those who have been forgiven.

God is s God of laws and Satan with his minions know this, that if they have your permission even unbenounced to you, that God's forgiveness is extended for a time. In this He hides, however Satan knows as long as he has the general population implicit, he can hide among them for safety. As long as he is hiding in plain site. For this reason the clues are all around you in symbols and logos demonstrating the blindness of the beguiled. Do you see the signs?

Unless you are in full denial, one must look no further than Hollywood at the entertainment industry, which is more clearly seen in the spirit as a detainment industry for the damned. The city of Los Angeles? The city of angels. Fallen angels.

You see we all have to come clean from these things. As the Israelites were seen before their departure from Egypt in their own homes, the blood of the Lamb of God over their door posts as the angel of death past over.

You see we are all going to get a knock on the door, for the vaccine or the guillotine. Even Lot and his family had a knock on their door. And when Jesus came knocking for the people of that day as a pauper on the foal of a colt, He was rejected because He didn't look like a savior. So too in our day, if you think the vaccine is gonna save you you are damned because that saving in contrast with the Savior of Go, is blasphemous. You choose your saving. The blood of Jesus, or the DNA

riddled pinprick designed to defile your blood and change your DNA to another. If you don't have the DNA combination given to you by Gift, you are not His. You are eternally damned.
