

## The law of necessity

When you come to the end of your rope and you lose all hope, this is where God kicks in.

It was with the money changers and in the treasury that Jesus Christ did combat with his enemies for the same reason it was Judas that was The keeper of the money, showing what matter of seed he was from. You see Judas whose identity was with the money, but you see it was the disciples in the book of acts, after our Lord was taken up who said, silver and gold have I none but in the name of Jesus Christ rise up and walk". They knew what tools they were to use, and which account to draw their wares from to do their tasks.

The point of all this is to say that, all human efforts and endeavors and possibilities and probabilities are gone, you don't need faith. So you have to spend those and get rid of them to implement what God has given you to acquire now. You see you cannot serve God and Mammon, and God doesn't serve you until your Mammon is gone.

It was those in the book of Acts who thought they could buy the things of god, the disciples said your money perishes with you, showing us two things, that if you hold on to what you have here, you will perish here, but if you hold on to the promises in scripture, you will have the thing that He said.

And even as the unction of God says to us in the book of revelation, that blessed are those who die from here on out in the Lord that they may cease from their deeds, and their works do follow. and that has to strike you as curious because how can your works follow when you cease from your deeds and die in the lord?the answer is you stop working off of your own energy and efforts and start working off the unction in the dunamis of god.

So when the things of this world came in {comma} and you lose what you have and what you work for {comma} don't curse and blame God because he has something better for you {period}but rejoice to the extent that is your partakers of the sufferings in Christ you also are of the glories and that's what the purpose of the suffering is for is to pass you through the other side undaunted.

Those who seek to save their lives lose it, and those who lose their lives for my sake will gain eternal life. This is why John says "

<sup>24</sup> "Verily, verily, I say unto you, Except a corn of wheat fall into the ground and die, it abideth alone: but if it die, it bringeth forth much fruit."

These are those who die in the Lord from here on out, that they may rest from their deeds and their works follow.

<sup>25</sup> " those that loveth this life shall lose it; and those that hate their life in this world shall keep it unto

life eternal." You sacrifice one for the other without the physical death. You see the body itself becomes just a tool and we become something much greater.
