

Ensuring Our Completion and our Crossover. The coming persecution

ENSURING OUR COMPLETION AND OUR CROSSOVER. The coming persecution.

There is a promise in scripture that "We are a new creation in Christ. That old things HAVE past away, behold all things HAVE become new and all things ARE from God."

However God's things are not of this age of time and matter but something that existed before God ever spoke a word. And it remains isolated from and away from infections from the creation itself in an enclosed environment, which is nothing more than a filter to trap all the evil doers and their attempts to steal creation. If you are "in Christ " you are in this isolated place called "sanctification".

The truth be told, creation is the trap because it is the contrast and the anti-type of creation. As the Father has said "as the heavens are higher than the Earth, so are My ways higher than your ways and My thoughts higher then your thoughts,,, bread to the hungry, seed to the sower.

Yes as with Noah and Lot, the bugle call has blasted to flea. To come out of her My people because Babylon (the world system) has fallen (or inverted in purpose) and become a snare and a trap for every foul bird and unclean thing. For God has remembered Her and called all her debts due. Render to her double and multiply her misery much more then any luxury she had hoped to attain because as soon as the desires of the hearts of all who listed this time, in the blink of an eye you will come face to face with the Almighty God who has been toying with you. Your expected joy will be inverted. Babylon has fallen and become a snare and a trap. Render to her sorrow agony....

This is why Christ spoke to the woman the well, of which she said erroneously that "you jews say in Jerusalem is the place where God ought to be worshipped. And He replied "woman I tell you in truth that the time coming is ALREADY HERE when you shall Not worship the Father in Jerusalem (on earth) but in spirit and truth for the Father seeks such". But nevertheless they built another Jerusalem on earth as a matter of defiance. It shall not be.

For this reason we worship in the true Jerusalem that comes down from God, of God of timeless elements being "the Mother of the all" who have known Her in Spirit and in Truth as the woman at the well in Samaria was instructed to do while she was praising a different Jerusalem. The one who had fallen in purpose time after time. But Her expiration had come because when Christ proclaimed, and what He instructed the disciples to proclaim, was that "The Kingdom of God is at hand". That is right, remember "the time that (you think) is coming is already here" as we already referenced. That the Jerusalem on earths change had already come. Where? You may ask? "In spirit and truth" and the one that "comes down from God in Heaven". This one cannot be compared to brick and mortar. And if you remember, they were instructed NOT to build with hen

stone” alone with the Ten Commandments. So what is the confusion?

This is the purpose and the encapsulation of "all the promises to us from God. They are all eternal, they are all “spirit and truth. You see if we have pursued Christ and put Him on as is scripture commands, then you have nothing to worry about as the powers of this age try their last ditch effort to detain you from your inheritance by you trying to preserve yours here. With all the news and fake news and big bad boogie men of the day that try to keep you distracted through their various forms of fear.

So we say, Let them have it! We are not saying kill yourself, for you forever live if you live by the Spirit. What we are saying about them, is that their words, warnings and threats of persecutions have no power over us because the Son of God purchased our deaths with "the blood of the Eternal Spirit, be they slow or fast, so they belong to Him. That is why we say when Christ at the cross asked the Father why He forsook Him"? He didn't. Christ nearly just tasted death for us so that we wouldn't have to. Oh the blessedness of such a massive gift of eternal life. And we know that Christ, after paying for the death of all mankind, He walked away unscathed because of the empty tomb, the grave cloths lying on the ground and the head cloth folded and set on a ledge (signifying a scroll on a shelf). Dead people can not do that. And because someone with eternal life did do this, it was sufficient. We know this because if you added together all the years of all the people who have lived and died there is a number and that number which is in the billions, is far short of eternal. But the point here is that not only did Christ take on Himself the count of dead years, He also took to Himself all the pain and agony associated with it, or else the penalty of death in fact has not been paid. But we have come to know and believe that when The Christ on The Cross let out His agonizing, screeching, blood curdling cry's, they were not His but the collection of ours. That is the Testimony of the cry's at the cross that He truly bore our sins AND the consequences thereof.

That is why the Apostle Paul could convey to us (if you are willing to receive it) that “Romans 8

That's the size of the gift of God in His Son. “For God sent His Son into the world nit to condemn it, but to save it. (John 3.17, the verse just after 3.16 that is so heavily popularized)

This should encourage all of us to seriously discover the gift of eternal life given by the sacrifice of Gods Son. Had Christ not been eternal and from the Father, He would not have prevailed, but this was all part of the plan from the beginning and why even Adam and Eve [experienced a sacrifice](#) showing that they understood that the price for a life was death.

The fact of the matter is, every hope, every belonging and every entanglement you have with this age, and primarily with the gods of this age, must be put off because any thing you hold on to here is going to weigh heavy on your spirit and make it hard for your departure. If you have put off the works of the flesh of self and self preservation, your reservation in the Kingdom is secured. Primarily because there is no mixture of substance. Christ said “the god of this age that's coming,

has nothing in Me.” So much so in fact that there is nothing to talk about.

You see every generation had to go through a series of tests to disenfranchise themselves from this age.

["Mark 10.9 So Jesus answered and said, "Assuredly, I say to you, there is no one who has left house or brothers or sisters or father or mother \[a\]or wife or children or \[b\]lands, for My sake and the gospel's."](#)

We can start with Noah and the Ark. That family was so withdrawn from that world that they were on the Ark with the doors closed before the first drop of rain fell.

And of Lot and his family with Sodom and Gomorrah. They had Angels tugging them until the last moment. And even then they settled for the low country and would only go up so far. This was their snare. Remember Lots wife? She failed to let go of the old and was turned into a statue of salt for all successive generations to see how NOT to do it.

It was when God spoke through Moses to the Israelite's that He purposed to them "The Passover". We see this where the angel of death past over them because of the blood applied to their doorways. Then they were instructed to cross over the Red Sea to start to learn to live in the promises God gave them.

Like us who are “in Christ “ is to mean that we are in Gods promises because the Son of God the Christ is the promise land because the Father had said in Exodus 4 that “Israel is Gods first born”. And God the Father was not referring to a land called Israel or a people. Those were just pictures. And because Gods only begotten is portrayed in that way, you can now see that to be in Christ” is to be in Gods Only Begotten Son, and to be in The Son is to be “in Christ”. So then those who are “in Christ” are in “the promise land” and the place here the promises are activated and realized is “in Christ”, because “if anyone is “in Christ” they are a new creation. That old things have past away. Behold! All things become new and all things are from God”. It is to us who are in Christ “ that are in the promise land where all things new are realized.

All these descriptions define the invisible spiritual realities, picture in a physical way of what we are to do in the spirit, in an invisible way. Simply put, we need to put off the things of this age that make us look like anyone else. If you didn't have the promises from God, you would have to find other providers, provisions and protections. These differences distinguish us from the rest of the world.

"We are in the world, but not of (like) the world".
